Conference 2010 Powerful Automation Technology, Control and Instrumentation System for Environmental Protection

Re: Call for Abstracts

We are delighted to announce that the Conference 2010 Powerful Automation Technology, Control and Instrumentation System for Environmental Protection will be held on 3 & 4 May 2010 at the Hong Kong Convention & Exhibition Centre.

Co-organized by CIWEM HK & LNS, the objective of the Conference is to provide a platform to enhance the participant's knowledge of the latest trend in automation technology, control and instrumentation systems in different applications. The conference will also explore business case scenario addressing the success and challenges.

The Program Committee cordially invites prospective authors to submit abstracts for presentations. All abstracts will be considered for 20-30 minutes oral presentations at the Conference. As a key player in the industry, your participation as a speaker for this meaningful event will not only help make it a success, but also create value for your esteemed organization.

Enclosed please find the Conference Profile for your consideration. We are confident that your support and presence at our Conference will make this a monumental event.

To facilitate the logistics arrangement, we shall be grateful if you can favor us with your positive response by completing and returning the attached Abstract Form to the Conference Secretariat **on or before 3 March 2010**. Should you need further information about the conference, please do not hesitate to contact the undersigned, or Ms. Maybo Fok of the Secretariat (email: conference2010@lms.com.hk, phone: 2559-9973).

Please accept our thanks in anticipation of your favorable reply shortly.

Yours Sincerely,

Norman CHENG
Chairman
CIWEM HK

Luciana WONG
Director
